

*Serving families of Westmont, Clarendon Hills & Downers Grove*

December 2, 2009

Dear Parents/Guardians:

With the winter season fast approaching, CUSD 201 has added late bus schedules to handle the inclement conditions that may occur. Two late bus schedules have been created for each school that, hopefully, allow enough time for the bus company to prepare for student pickup and the streets of Westmont to be plowed for safe travel. Please refer to the routes below. Student pick up time would be one or two hours later than normal depending on the schedule used for Manning, Miller, Westmont Junior High, and Westmont High School. Breakfast will be served as usual on late schedule days in those schools that currently receive breakfast service.

In the event of inclement weather that would require a late schedule, the District would utilize the automated telephone calling system, radio and television announcements, e-mail, CUSD 201 website and, if possible, office staff to answer questions via telephone. Late bus schedules allow the District to maintain as normal of a school day routine as possible. Class time is valuable and we want to make sure that the education of our students is disrupted as little as possible.

It is the intention of CUSD 201 to provide transportation for our students in a safe and efficient means as possible. If you have any questions, please call your individual school for any further clarification that you may need.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven M. Baule', with a stylized flourish at the end.

Steven M. Baule  
Superintendent of Schools
