#### DISCUSSION/INFORMATION Westmont High School Athletic Conference

Rainy Kaplan, athletic director, Westmont High School, provided the Board of Education with an update on the status of the Interstate8 Conference.

#### SUPERINTENDENT'S REPORT Communications

Superintendent Carey reviewed the following discussion items with the Board of Education:

CUSD 201 is looking to partner with the Village of Westmont Public Works Department. Members of the Admin Team met with Mile Ramsey, Director of the Public Works Department.

One partnership began last year and we are continuing this year. The Public Works Department sponsors a water tower model contest for junior high students. Last year our Junior High and Westview Hills Middle School participated. This year the Junior High will participate again and the Public Works department is hoping to add additional junior high schools.

The other partnership we are working on is an internship program for water treatment plant operators. The students would complete 30 hours of course work and a summer internship. Once the student completes the training and passes a qualifying exam, the intern would then be licensed to work in a water treatment plant. Starting salaries are \$40,000 on the low end.

The High School is exploring student interest to see if it is possible to start an internship program at Westmont High School.

#### FOIA Request

Recent Freedom of Information Act (FOIA) requests were shared with the Board of Education.

#### Alliance Legislative Report

The September 26, 2017 edition of the Alliance Legislative Report was shared with the Board of Education.

#### BOARD REPORTS

Mrs. Charlton congratulated the football team on recapturing the Old Plank Road Trophy.
